Events **Age Group & Open**

See attached sheet. Age Group Events - heats will be swum with all age groups combined and swimmers seeded by entry times. Where possible the accepted entries for each age group will be equal, but if an age group is under-subscribed, the organising committee reserves the right to include additional entries from other age groups. This year the SAS Junior Meet will maintain the unique element of competition that is specifically designed to enhance Junior athletic development with the inclusion of 25m sprints. This unique opportunity is to encourage increased focus towards the middle distance & distance events that are so critical to the long term development of these young athletes. The 25m sprints compliment the athletic abilities of this particular group in terms of their developing physiology. Any swimmer entering a 200m event will **automatically be entered** (no charge) into the corresponding 25m event of the same stroke. If a swimmer is rejected from the 200m event then they will automatically be rejected from the corresponding 25m event.

All events will be HDW.

400m Individual Medley events will identify the six swimmers to take part in the 100m IM Challenge event – separate entries for the Challenge event are not required. Details of the rules for this event will be provided during the weekend.

Starts As per FINA rules one start will be implemented throughout this competition. Over the top starts will be used where practicable.

Age As at 3 February 2008 (i.e. age on the last day of competition)
Girls Age 11, 12, 13 and 14.
